## Student Council

A very active student council got off to a good start this year. Beginning with numerous meetings and planning sessions during the summer, they laid plans for an elaborate homecoming week. The planning must have paid off because they gave the school a week of activities that were fun and successful. The highlight of the week, however, was the homecoming dance, for which they lowered the gym ceiling, made trees, borrowed fountains, covered walls and made those who attended forget they were really in a gymnasium. With this success behind them, they look forward to other ventures in the spring. They may well have created an act that will be difficult for future councils to equal, let alone top.

1. The full student council gathers on the steps for a group portrait. They are pictured individually by class representatives in the following pages.

2. FRONT ROW: Mary Beth Brozovich, Angie Mapes, Kate Steen. BACK ROW: Lisa Lagomarcino, Lisa Mueller, Amy Wells and Patti Hender. Tom Campos is absent.

Section editors of the 1977 Pioneer are: FRONT ROW: Sue Garland, Participation, Bill Warlop, Competition and Theresa DeGrande, Community. BACK ROW: John Lusson, editor-in-chief, Theresa Allaert, Relationships and Tom Meyers, learning.

1. Bill Warlop and Tom Meyers fight out some of the initial problems editors have with layouts.

2. John Lusson finds that a male editor-in-chief sometimes has more than he bargained for in dealing with three female editors Theresa Allaert, Theresa DeGrande and Sue Garland. Absent on the day of pictures was Terry Lootens who is co-editor of the Learning section of the book.

## Publications

School publications at Alleman serve in two ways. The newspaper, *The AllamaNews*, functions as a record of those events which fill students' lives. It serves in a more practical way student interest in composing reviews, writing articles and putting together a daily newspaper. The newspaper, then, is also a training ground for an area that might become a student's vocation. The yearbook, on the other hand, is a record of major events of the school year. It is published once and furnishes us with a photographic record of events we want to remember and faces we don't want to forget. Both publications are a valuable part of the extra-curricular activities available to students at Alleman High School.

## Cross Country

*Pete ffitch heads for the flag pursued by his Moline archrival.*

*The Alleman Cross Country team mentally prepare themselves for the upcoming run.*

*This years cross country team, although plagued by injuries early in the season, was blessed by a good amount of outstanding achievement. One of these achievement was a state finish by senior letterman Pete ffitch. Pete, a three year letterwinner in Cross Country, was plagued by illness and injury in the early season, but came back strong at the end of season to win the crucial meet.*

*The team this year was compiled mostly of juniors, thus Coach Tim Trummer should have a fine nucleus to build a strong team for next year.*

# The 1976 Varsity Football Team

BOTTOM ROW: Managers ,Bob McDermott, Pete Murray, Mark VanDeMoortel, Mike Schroeder, Jeff Ohern, Tom Goodwin, Chuck Smith, Steve Meenan, Leo Hoogerworf, Dave Krause, Mark Schatteman, Scott Porter, SECOND ROW: Coaches, Steve Ebner and Mike Drymiller, ,Rich Core, John Wilde, Frank Leone, Paul Collins, Mark McGuire, Chris Harteman, Greg Spriet, Pete Sherwin, Rick West, Phil Banazek, John Polzin and Coach Mike Tracy, with head coach Wayne DeSutter. THIRD ROW: Brian Doak, Pat McGuire, Mark Butz, Bill Sherwin, Mike George, Bill Yeager, Quinn Turner, Chuck Goodwin, Mike Wood, John Tady, Vince Viren, Matt Vogel, Jim Burkhead, Jim Circello, Mike Ebner, Joel Williams.

## Varsity Football

This year's varsity football team was a challenge to our new head coach, Wayne Desutter. Coach DeSutter was the head football coach at Sherrard High School, where he built up quite a reputation for winning. It wasn't so this year, at least not in the won-lost column. This year was a transition year, a year of change. Coach Desutter said it was hard. "We had a lot of talent but they were dropping like flies because of injuries. I think that if we could have caught a few more passes in the Rocky game it could have been a turning point."

Although this years team didn't win most of their battles, with stars like Mike Shroeder and Bill Sherwin high stepping forward along with recievers Mike George and Steve Meenan pulling in some passes we should see a pretty good representation in the college ranks offensively next year. The Defense was stregthened by Brian Doak, Chuck Goodwin, Pat McGuire and Pete Murry. Next year should prove intersting, with returning Letterman and up comming sophmores.

FIRST ROW: Tony West, Tim George, Tim McGuire, Tom Akers, Ed Schroeder, Olie Johnson, Jeff Kautz, Tim Slusarski, Manager Bob McDermott; Coach Mike Ryan. SECOND ROW: Mike Butz, Dave Salmonson, Tim Glancy, Mark Stang, Paul Palos, Chris Sierra, Coach and Manager Mark Gerlach, Mike Skogland, Mark Rangel, Ray Terronez. THIRD ROW: Adam Ligner, Dan Hubbs, Tim Tily, Mike VanHoe, Garon Grigsby, Ken Fennesy, Joe Banazek, Mike Kinily; Mark Schecker, Perry Ehli, and Coach Phil Sailer.

#### *"Little Pioneers" Struggle Through Season*

*This year's sophomore football team went through a difficult year, but the hard working gridders of Coach Phil Sailer proved that they have the ability to withstand the rigors of big time football. The "Little Pioneers" played with great intensity in each game, but found that the much larger schools had a greater amount of depth on the bench. Though coming out on the losing side in most games, the soph ball club were in all games until the final gun.*

*Though smaller than most teams, the sophs did not lack in talent. Quarterback Dave Salmonson proved to be an outstanding asset to the team and was eventually moved up to the varsity where he performed competently. Chris Kennedy and Mark Rangel manned the backfield excellently, and ran for good yardage thanks to a fine offensive line. The Sophmores had a fine receiving corps led by Adam Linger. Defensively the line was anchored by Joe Banaszek and Danny Hubbs, and with a fine group of linebackers and backs the defensive kept the team in every ballgame.*

*Coach Phil Sailer and his assistants did a fine job getting the sophmores ready for action. Though with out the large amount of players going out the coaching staff got the players ready for every ballgame.*

*This year's sophomore football team played with as much spirit as any team, and will be a fine group of ballplayers when they move up to Coach DeSutter's varsity.*

FROM LEFT TO RIGHT, Coach Mike Kiss, Brian Spreit, Tom Nowenham, Don Cotton, Jim Rodts, Paul Lopez, Roger Mattecheck, John VandeMortel, Steve Fleweger, Chris Ariouski, Head coach Don George. ROW 2. Coach John Ford, Bill Carton, Matt Patting, Dave Wells, Kent Pobanz, Shawn Manning, Randy Thennis, Jim Hourgan, Mike Slavish, Jeff Frances, Don McGinnis, Kent DePorter, Mike Smith, Jeff Carstens, John Lions, Greg Williams, Dino Leone, Todd Karns, Mike Little, Steve Sherwin, Steve Barton, ROW 3. Steve Moseley, Ken Lang, Mike Naab, Paul Heisley, Pat Schroeder, Jeff George, Joe Kautz, Todd Johnson, Matt DeBo, Jeff Panther, and mgr. Steve Martens.

"Cut the Mickey Mouse." They sure did with a 7-1-1 record this season. Coach George was very pleased with this years performance and sees a lot potential. I can see why, the team racked up 152 points on offence and they held their opponents to only 39 points. Quite an explosive ball club in my opinion. This club can go pretty far. They proved that this year by taking it down to the wire this year and ending up in a tie for the Quad-city Freshman league. There's alot of talent on this team, I just hope they use it. Good luck next year freshmen.

# Girls Tennis

ABOVE; Cindy Armetta looks tough as nails at the net.

BOTTOM LEFT; That looked in to me, maybe my eyes aren't working today. BELOW; What are you swinging at Kelly? I can't see.

# Golf

This year's golf team was a veteran squad and compiled a respectable record on the links of the Quad City area. Though the next couple of years will be spent on rebuilding, Mr. Morris is looking at some fine young talent to pull us through. Members of the golf team were; Jim Morris, Tom Kautz, Terry Lootens, Ed Mowen, John Dougherty and Dan Hogan

# Girls Basketball

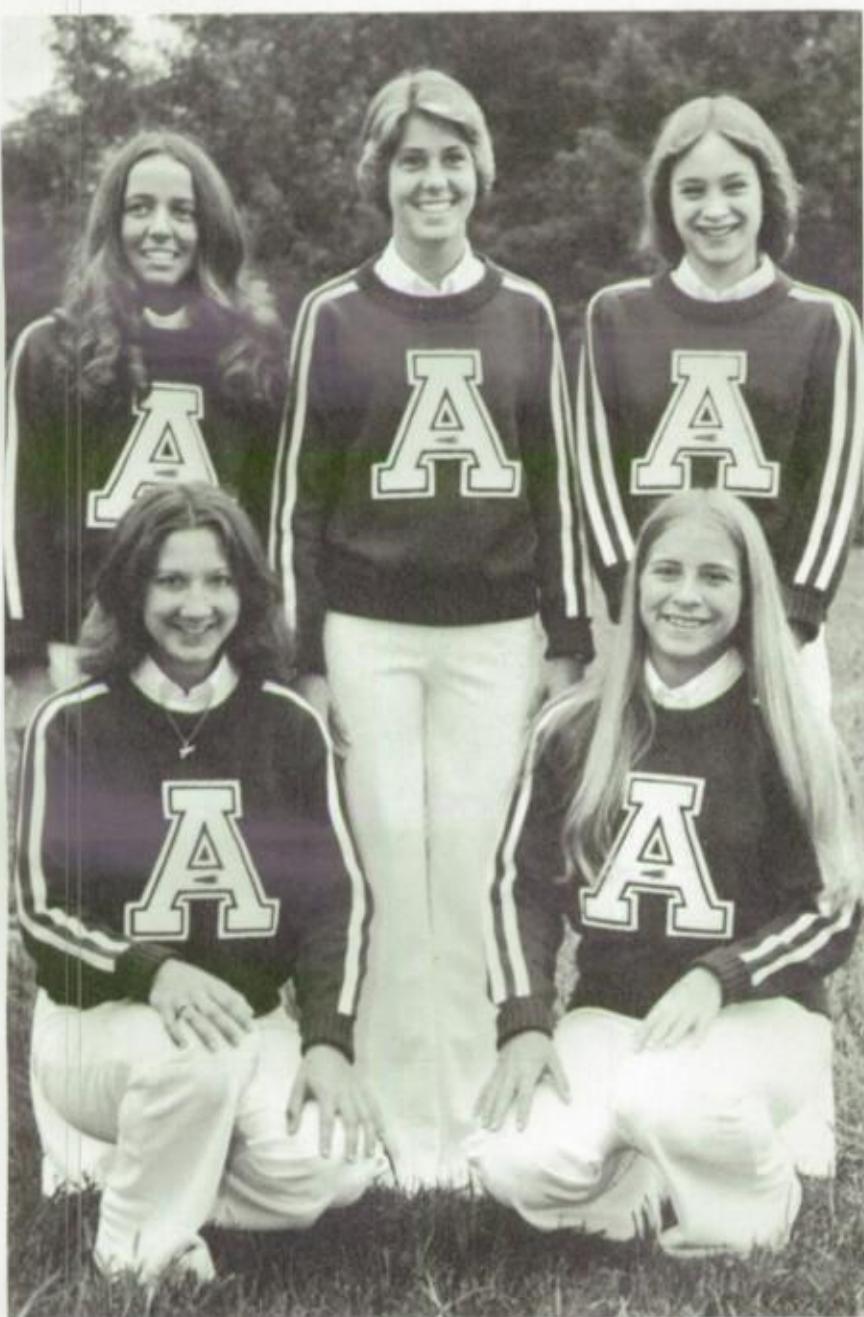

For only their second season, the girl's basketball team has really come a long way. In the Rock Island tournament they received third place by defeating East Moline. Since the squad is mostly comprised of underclassmen the team did lack experience but should be a tough competitor next season. One of the highlights of the season was their win over the previously undefeated Erie team. Congratulations girls and good luck next season.

UPPER LEFT Miss Flynn stares intently at the action going on the court.

# Cheerleading

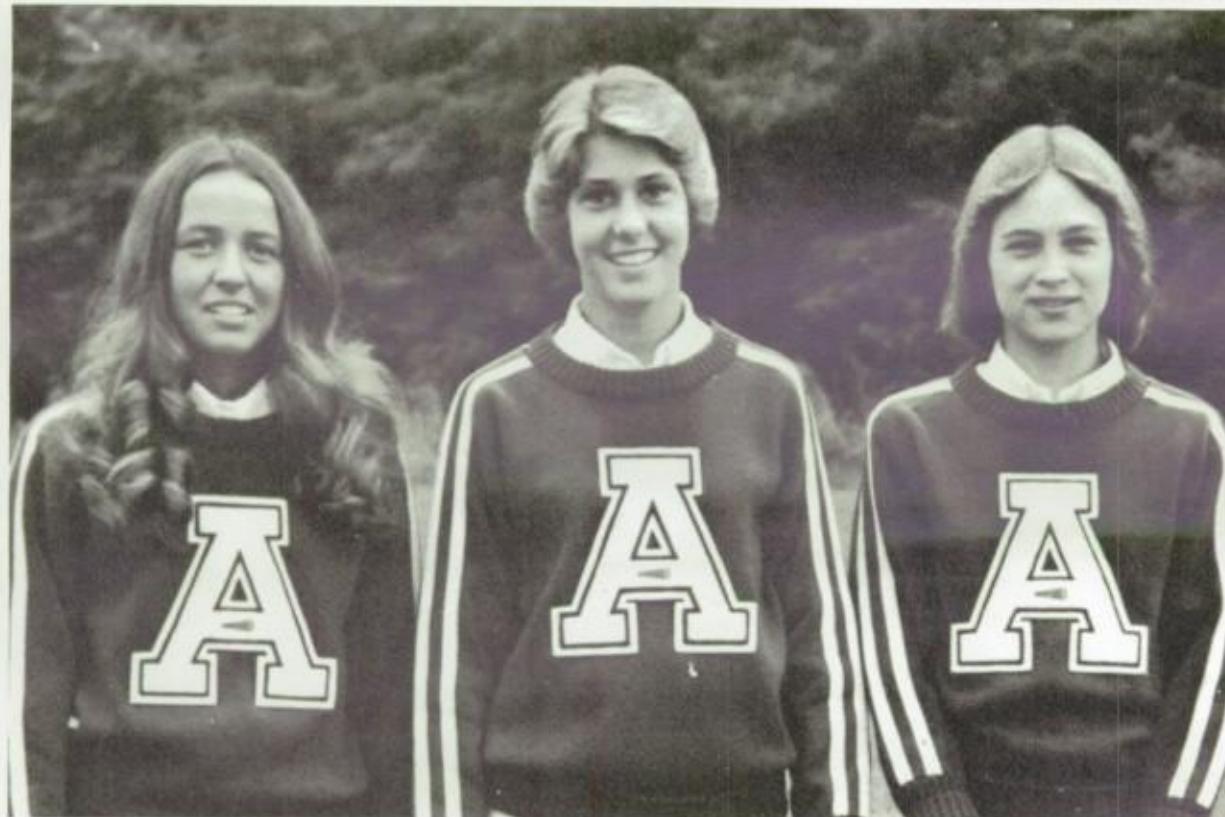

This year's school spirit was at an all time high thanks to wrestling cheerleaders, Ann Wiggins, Kelly Schmitt, Kelly McBride, Shirlee Nicholson, and Theresa VanGetson. Frosh-Soph cheerleaders; Kate Fecht, Sue Laurin, Julie Guzzo, Chris Thomson, and Pam Armetta. Varsity cheerleaders: Donna Ferguson, Mary Beth Peck, Theresa Petrick, Lori Dowsett, Kathy Hanson.

*This years wrestling team was full of under-classman, despite this fact they turned many fine performances. with the likes of brother combinations Oly and Greg Johnson, chuck and Tom Goodwin, and Matt and Marty Orwits. Next years team should Be even better, with members of this years team advancing as far as sectional.*

**GOOD LUCK NEXT YEAR GRAPPLERS**

**FRONT ROW; LEFT TO RIGHT; Roy Villanueva, Chis Kennedy, Mtt Orwits, Ed Schroder-Oly Jhonson, Billy Brozovich, BACK ROW LEFT TO RIGHT: Chuck Goodwin, Brian Doak, Lloyd Berryhill, Tom Goodwin, Ray Terronez, Olie Johnson, and Coach Charlie Arnold**

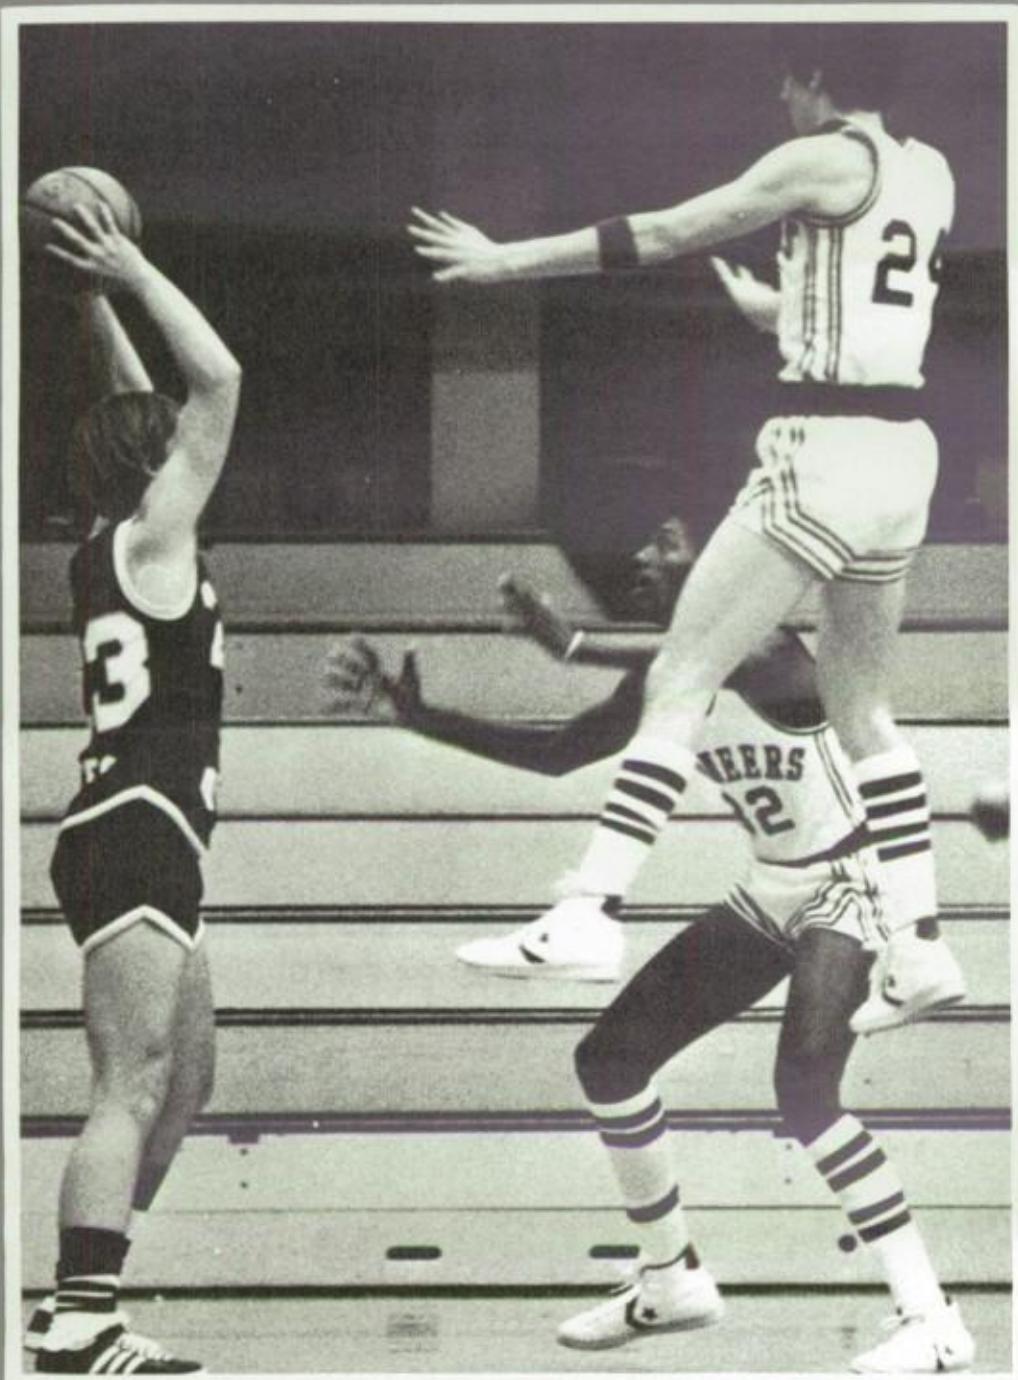

# Sophomore And Freshman Wrestling

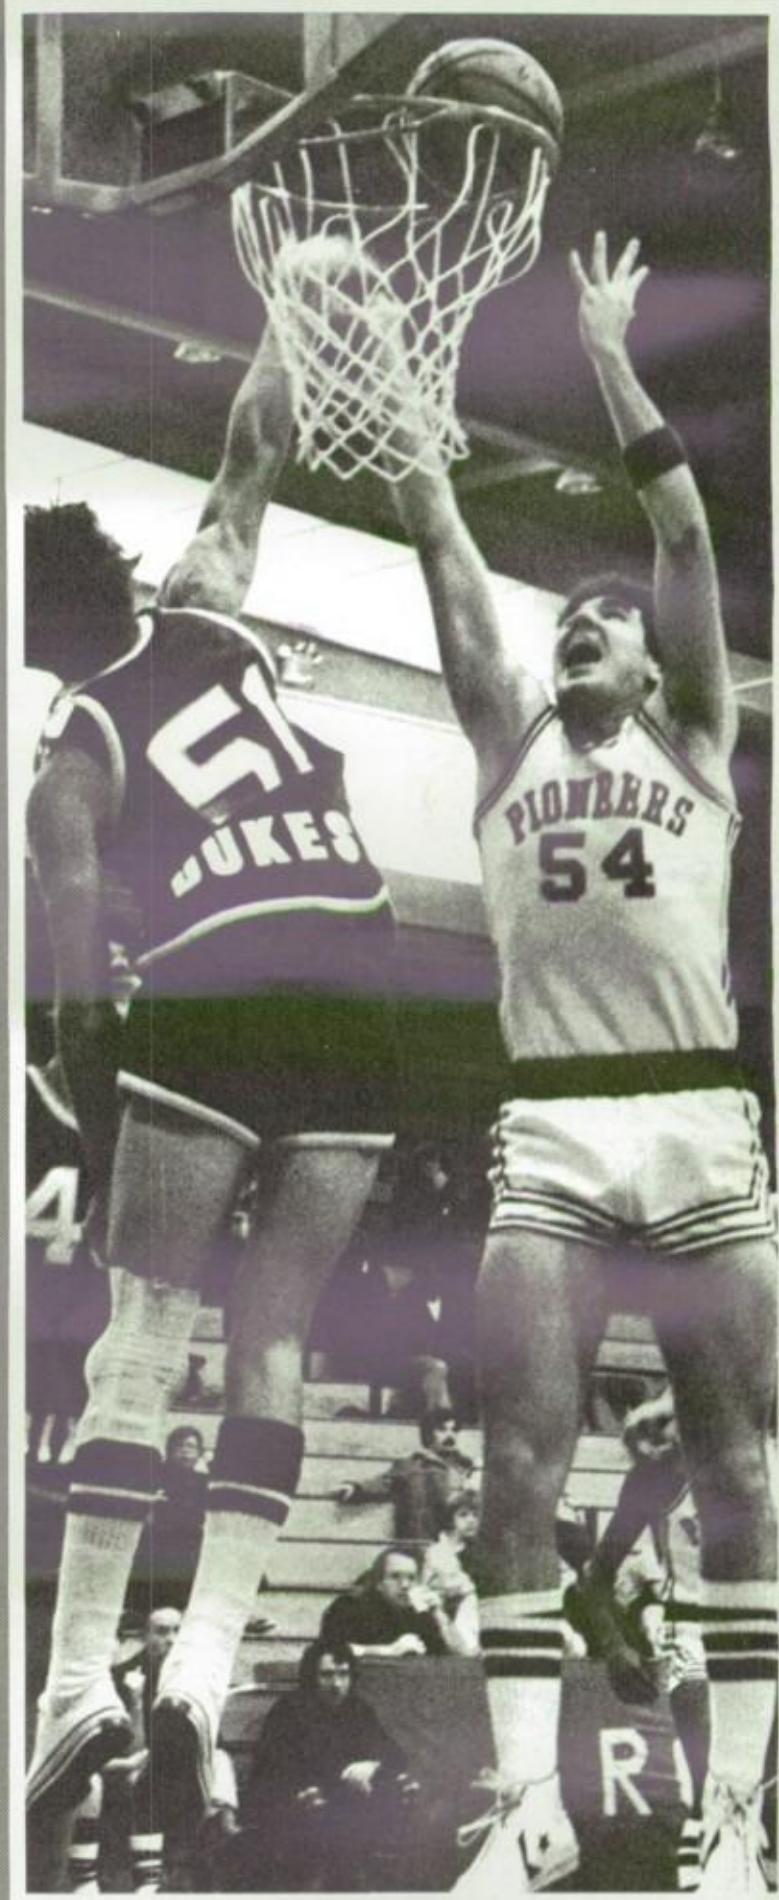

**ABOVE:** this years freshmen Wrestling team, was the best to hit the mats in quite a few years. Not only did they go undefended in the regular season, but they also did very well on the tournament scene. listed are the members of the 1976 -77 squad. Steve Barton, Marty Butz, Todd Carnes, Jeff Carstens, Pete Fecht, Paul Lopez, Todd Johnson, Kenneth Laing, Dan McGinis, Matt Morrissey, Tom Newenham, Mike Naab, Bruce Norris, Chris Orlowski, Joe Otten, Jeff Panther, Matt Pating, Kent Pobanz, Fat Schroder, Fred Seward, Allen Speed, Dino Leone. CONGRADUATIONS FRESHMEN KEEP UP THE GOOD WORK.

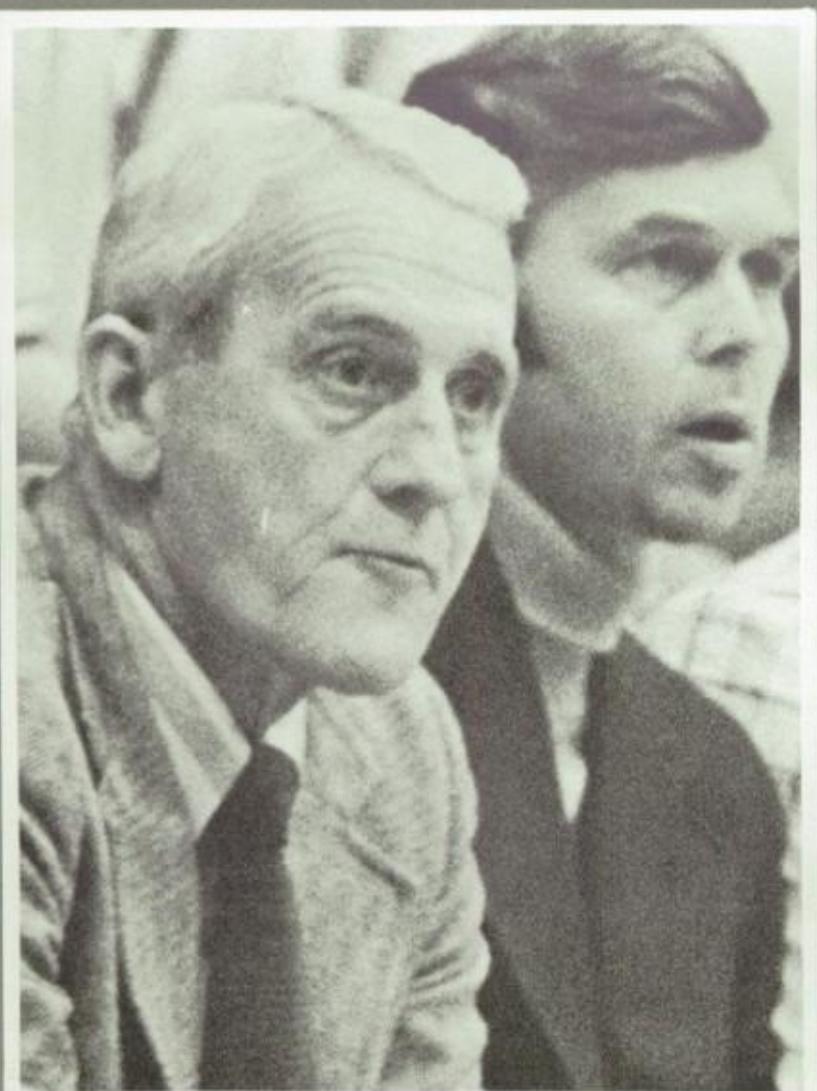

# Basketball

LEFT: Joe Baker takes a jump shot from the corner. BOTTOM LEFT: Matt Sottos goes high for a shot over a Rocky defender. BELOW: Paul Collins and Mike Vyncke prove that are juniors are tough under the boards.

*The 1976-77 Varsity basketball team had an outstanding season this year and had its share of ups and downs also. The team had incredible talent in the likes of Matt Sottos and Joe Baker, the play making and defense of Jim Morris and the deadly shooting of Greg Cotton. Juniors Joe Polachek, Mike Vyncke, Paul Collins and Danny Sweeney say a lot of playing time this year and should be a fine nucleus to build on for next year. One of the best coached teams in the area, the ballplayers represented Alleman in the true Pioneer spirit.*

**McDonald's**

*look for the golden arches*

The image shows a stylized architectural rendering of a McDonald's restaurant. The building has a prominent upper section with two large, white, arched windows. Below this, a horizontal band features the word "McDonald's" in a bold, italicized font. A glass-paned entrance is visible, with several silhouetted figures standing outside. The overall style is graphic and minimalist.

*WHERE DO YOU FIT IN?*

Fifty-seven members of the Alleman High School Class of 1976 found they fit in at the Quad-Cities Campus of Black Hawk College, joining over 500 recent Alleman grads who have been enrolled in college-credit or career programs.

There's a place for you, too.

Since 1946, we've helped thousands of students earn college credit. Many have gone on to earn baccalaureate, masters' and professional degrees.

College credit isn't all we have to offer. Since 1965, we've prepared thousands of other students for careers in technical, business and vocational occupations.

If you're not sure where you fit into the picture, we have counselors ready to talk with you. Appointments can be made by calling 796-1311, Ext. 383.

And, if money is a problem, our financial aids office can probably help. Give them a call at 796-1311, Ext. 373.
